Importance: High

Michaela,

Tim, Deputy Press Secretary, is asking some questions. I'm working with IOAA on responding but as soon as these last few comments are address and it is ready, please send to me asap (clean version with "final" in the subject line), and with the final desk statement also.

Adding Wayne/Kay just for awareness that we are working with the press secretary in case it comes up in discussions with IOAA leadership.

Thanks,

Kelly

Hi all,

I'm attaching the latest version of the formaldehyde comms plan. Maureen and Chris had two small comments. Could you please respond to those comments this morning?
